Job Description

DiscoverE is a not-for-profit, student-delivered initiative of the Faculty of Engineering, at the University of Alberta, in Edmonton Alberta. We deliver high-impact classroom workshops, unique clubs and events, and engaging summer camps to more than 26,000 youth every year, and our programs reach over 70 communities across northern Alberta and the Northwest Territories. We deliver in-class science workshops during the months of May and June, and offer engineering, science, and technology day camps during July and August. The Photographer and Social Media Specialist works with the Marketing Specialist to create an overall branding for DiscoverE. They take professional photographs of campers during camp activities and ensure we have a strong social media presence.
